MOST POPULAR TALKS & KEYNOTE TOPICS

▶ Living the American Dream

The gripping story of a 1st generation immigrant that bootstrapped her way through college after fleeing the New York City foster care system and fulfilling her childhood dream to create opportunities for under-resourced families.

▶ The PIVOT Playbook

After learning she had less than a 2% survival rate based on the trauma she experienced from her past, Irum wrote a guide to help others survive too. The Pivot Playbook is a tool for businesses, non-profits, survivors and thrivers.

▶ THE 3Ps Of Life

24+ years of corporate transformation, creating winning teams, and cultivating communities towards positive change, Irum shares her life changing advice that can help your team, business, and personal relationships thrive!
